

FCC Support for SOS Children's Villages

We started in December 2003 when SOS Asiakwa, Ghana was selected as a focus for a charitable contribution instead of sending FCC Christmas cards. The selection was made in conjunction with the Ghana COCOBOD.

FCC visited Asiakwa in October 2005 and we were very impressed at the quality of the facilities. Discussion at the time with the local SOS Director indicated that an extension to the orphanage was most required.

Our decision to assist was based on the quality evidenced during our visit and captured in the following images:

THE EXTENSION OF THE SOS CHILDREN'S VILLAGE ASIAKWA WAS CONSTRUCTED WITH THE GENEROUS FINANCIAL SUPPORT OF SCHWEIZER FREUNDE DER SOS-KINDERDÖRFER. ADDITIONAL FUNDING WAS KINDLY PROVIDED BY FEDERATION OF COCOA COMMERCE LIMITED.
