SOS Children's Villages

OUR CHARITY PARTNER

What we do

At SOS Children's Villages we work in 137 countries and territories, across all 5 continents. Worldwide, we run 559 Children's Village communities, over 700 youth programmes and more than 450 schools and vocational training centres, working with local staff who specialise in healthcare, education, and child welfare.

When children can no longer live with their families, we work with communities and state partners to provide children with loving and supportive alternative care.

We work with children, families, communities and states to prevent family breakdown and ensure that children's rights are met.

Make a donation

Your donation enables us to reach even more vulnerable children and provide the care, love and support they need.

We simply couldn't do our work without the incredible support of donors like you. Thank you for donating and helping children grow up feeling safe, loved and supported.

Mobile App

Proving to be a great success in 2023, the organisation of the Dinner will again revolve around the FCC Cocoa Dinner mobile app.

The app is a web-based platform where guests can easily access all the information needed about the Dinner from their mobile phone. The mobile app is also where sponsors can advertise themselves, the level dependent on their tier of sponsorship.

Sponsorship opportunities are available in four tiers:

- ★ **Platinum**
- ★ **Gold**
- ★ **Silver**
- ★ **Bronze**

There is also the option to be a General Sponsor.

- ★ **Each Platinum, Gold and Silver sponsor can also have a page on the Mobile App.**

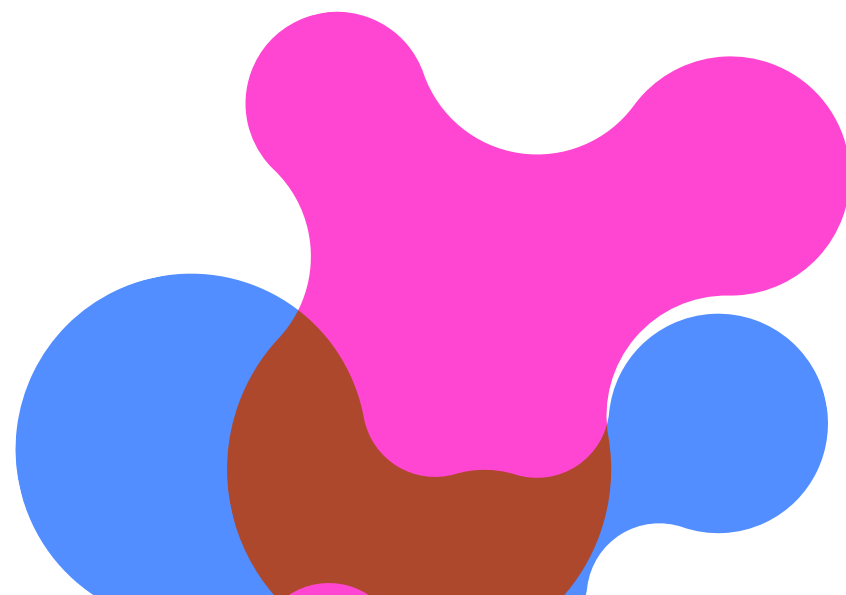

These pages are available for sponsorship:
